I would like to personally welcome you to Rocket Football and Cheer, Inc. I want to ensure you that I will continue to do everything possible to make sure your child learns the proper fundamentals of football and/or cheer. I am super excited to announce that we will have our free fundamental pre-season camp this year!! The camp is a great learning experience and a super great time!

HERE WE GROW AGAIN!! Yes, we are adding on to our league. I am immensely proud of our league. The last 27 years have been a very fulfilling time for me. There is a reason we are the best youth football organization in northern Indiana. I owe a lot of our success to our coaches. Most all our coaches have been with our league for at least 10 years – their children are now in college or beyond. I also believe our paid officials contribute a lot to our success. They do an amazing job and most have been with the league over 10 years as well.

Our goal as a league is to teach proper organized football and cheer and to prepare your child in both a FUN and SAFE manner for the next level. I am looking forward to seeing each one of you at camp, practices, and games.

Boo-Yaa!
