

## Poynt C

### Function meets form

Our latest payment terminal has a modern design that lets both you and your customer get a great view of every transaction.

#### A turnkey solution

Features a mobile and countertop credit card terminal, printer, signature pad, PIN pad, and docking station.

#### Wireless freedom

Enterprise grade mobile (LTE/4G) & WiFi connectivity

#### Accept all payments

Processes all payment types – contactless EMV cards, Interac and mobile payments such as Apple Pay (NFC).

#### Powerful security

With Primary Account Number (PAN) encryption, your customers' data is protected by the latest technology.

#### Strong support

Includes a dedicated support team to help whenever you need it 24 hours a day, 7 days a week.

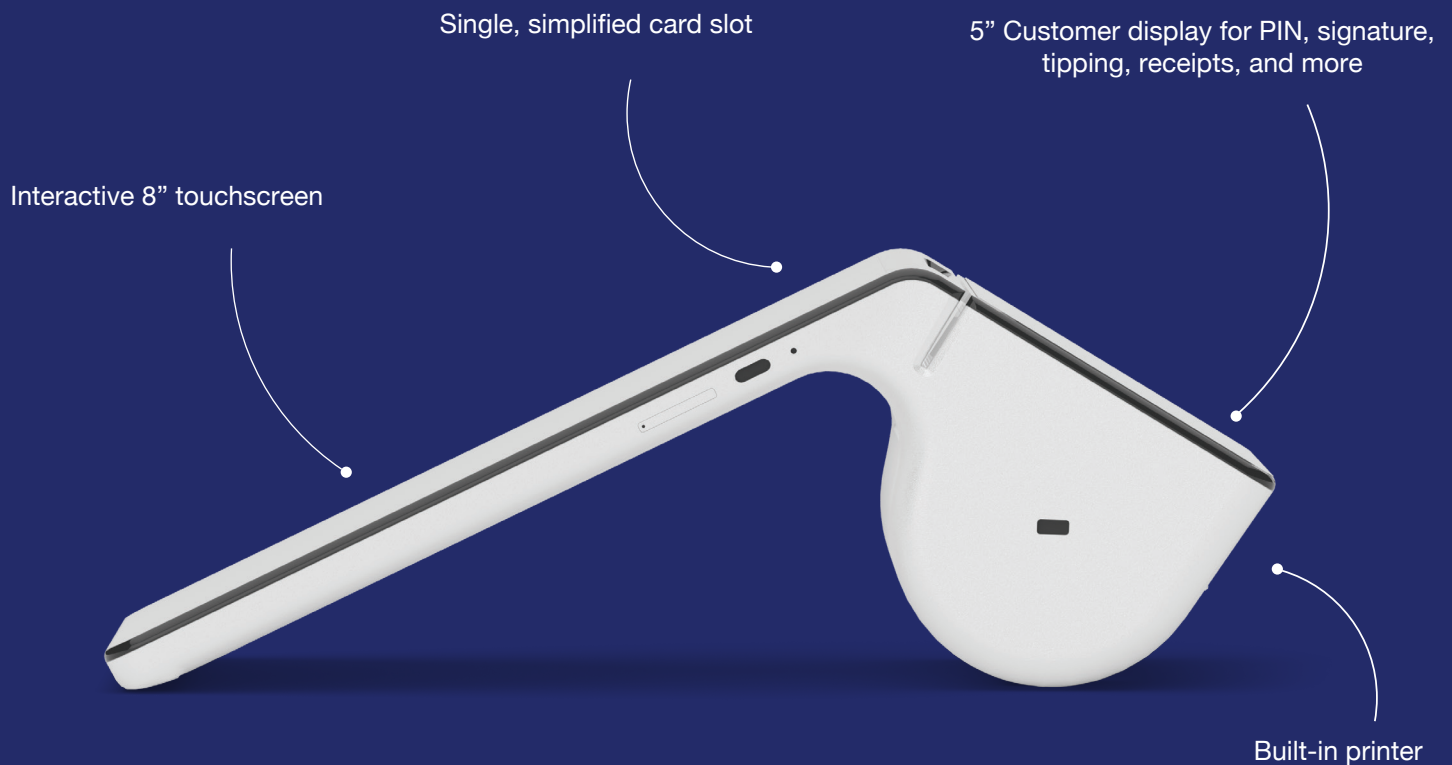

#### Robust reporting

Our HQ dashboard makes it easy to monitor sales, refund transactions, and settle with one click.

An all-in-one smart device that looks great and allows you to take the checkout to your customers.
