Services merchants have their own unique set of needs. If talech Register is being considered for a Services merchant, feel free to build custom package from the offerings listed. Note: Appointment Booking is currently supported on iOS ONLY. Multi-user capabilities are supported on iOS ONLY. talech Register would not be a fit for merchants who require these features.

*Currently Credit Card Surcharge is not supported in Colorado, Connecticut, Maine and Massachusetts, Puerto Rico or the Canadian Provinces. Although we offer surcharging in most states, Merchants are responsible for determining the legality of surcharging in their state, and merchants are liable if their activities are found to be unlawful. Credit card surcharge applies to credit card only, not available on debit cards.
