

Dr. Cory Scheer

KEYNOTE SPEAKER

Cory Scheer is the Founder and CEO of TrustCentric Consulting, an organizational and leadership development firm. TrustCentric and a Doctorate in Educational Leadership and Policy Analysis.

Cory has worked with small businesses, school districts, corporations, nonprofit organizations, higher education institutions, state governments, ministries, the military, and municipalities to provide vital support and clear direction on how to ensure people, practices, and policies become more trustworthy so that key performance indicators improve.

Cory is the co-author of “The National Survey on Brand and Trust” with BrandCertain as well as the developer of the online course, “The Complete Guide to Building Organizational Trust”. Cory is also the author of “Closing the Trust Gap: Taking Action on What Matters Most for Leaders, Teams, and Organizations”.

DR. MIKE KIMBREL
Superintendent, Park Hill School District
Before becoming Superintendent at Park Hill, Dr. Mike Kimbrel served as Assistant Superintendent of Academic Services, Director of Research, Evaluation, & Assessment, and Executive Director of Quality & Evaluation. He earned the Missouri Quality Award in 2015 for his continues improvement efforts in Park Hill. DESE has consulted with him on accountability & measurement work.

EMILY OMOHUNDRO
Attorney, EdCounsel
Emily joined EdCounsel at its inception in 2014. Since that time, her practice has focused on general counsel matters, working through issues in real time with clients to reach practical and timely solutions. Emily uses her background in general defense litigation to represent her school clients in state and federal court, as well as before state administrative bodies.

MONICA COHEN
CEO, American Cider Association
Monica Cohen isn't your average CEO. She's the kind of leader who doesn't just break the mold —she smashes it. Monica's journey is a masterclass in challenging the status quo and driving real change. She's got the battle scars, hard-earned wisdom, and a game-changing toolkit to back it all up.
