

In 1940 ten secretaries were called to Jefferson City to set in motion the organization of the Missouri State Association of School Secretaries, now known as the Missouri Association of Educational Office Professionals.

Come celebrate with us as we reminisce of the past and look toward to the future of MAEOP. Attendees will enjoy great professional development, networking, fun and of course, some relaxation and renewing of ourselves. There will be a banquet Friday night celebrating our 80 years, a basket auction and a memorial for Maggie Elder.
