Dear State Representative Rodney Elliott:

On behalf of the International Brotherhood of Electric Workers (IBEW Local 2321), representing workers in the Merrimack Valley & North Shore, I am proud to announce our enthusiastic endorsement of your candidacy for State Senate in the First Middlesex District encompassing the communities of Lowell, Dracut, Dunstable, Pepperell and Tyngsborough.

As a steadfast champion of working families, you have demonstrated an unwavering commitment to the values that define our union: fair wages, safe working conditions, and the dignity of labor in the electrical trades. Throughout your career, starting as a member of the Lowell City Council, you have stood shoulder to shoulder with IBEW members from the front lines to the picket lines. As a State Representative you have fought tirelessly against efforts to undermine prevailing wage laws and have advocated for policies that create good paying union jobs for skilled workers across the Commonwealth.

Whenever IBEW 2321 approached you to sign-on to legislation at the State House that would impact the role of labor in the workplace you didn't hesitate. You have stood by our side, and now we stand by yours. We understand that electing leaders like you is essential to protecting hard-won gains against anti-worker legislation. Having leaders who understand the challenges we face and have pledged to prioritize legislation that puts IBEW families first is crucial for our futures.

We urge all IBEW members, retirees, and supporters to join us in this critical fight. Vote for Rodney Elliott on February 3, 2026 for State Senate in the First Middlesex District.

Together we will build on our legacy of solidarity and secure a brighter future for electrical workers everywhere.

Sincerely,

International Brother of Electrical Workers (IBEW Local 2321)

Craig Fields
Business Manager
