

RODNEY ELLIOTT

FOR STATE REPRESENTATIVE

A RELENTLESS ADVOCATE FOR
HARDWORKING RESIDENTS
OF LOWELL & CHELMSFORD.

From increased housing costs to soaring gas prices, it has become significantly more expensive to live in Massachusetts in recent months.

Meanwhile, the state has seen record levels of revenue collection and unprecedented federal resources. Beacon Hill lawmakers have used this as an opportunity to spend hundreds of millions on frivolous pet projects, yet failed to deliver relief to families and individuals getting crushed by inflation.

Rodney Elliott believes that more should be done to support those facing increased costs of living, including seniors, working families, and renters. As our State Representative, he will fight to ensure that available state dollars are used for tax rebates and relief to residents who need it most.
