RODNEY ELLIOTT

FOR STATE REPRESENTATIVE

As a former Mayor, City Councilor, and legislative aide in the State Senate, I have spent my career forging relationships across all levels of government and building consensus around complex issues.

Our communities face many tough challenges as we recover from the COVID-19 crisis, from addressing exasperated achievement gaps in education to jumpstarting our local economy. Experienced leadership is more important than ever.

I am running for State Representative to put my experience and relationships to work for our district and to ensure that we receive the resources that we need to recover and thrive."
