FOR STATE REPRESENTATIVE

“

The way that we treat seniors is the most important measure of the success of our Commonwealth. We must enact laws and provide funding to allow older adults to live comfortably in the communities that they have contributed to throughout their lives. As State Representative, this will be my top priority.”

FOR STATE REPRESENTATIVE

## STANDING UP FOR SENIORS

As our State Representative, Rodney Elliott will always stand up for seniors. He will support policies that demonstrate our gratitude for all that they have contributed to our communities. His priorities include:

- ✓ **HOUSING:** Stabilizing property taxes for seniors by increasing opportunities for tax abatements for those struggling to get by, and creating safe and affordable residential care facilities.
- ✓ **PRESCRIPTION DRUG COSTS:** Holding drug manufacturers accountable to prevent excessive increases to prescription costs.
- ✓ **QUALITY HEALTH CARE:** Expanding the state's nursing workforce to ensure seniors receive the care and attention they need in health care settings.
- ✓ **FINANCIAL RELIEF:** Leveraging surplus state revenue to provide tax rebates and direct payments to provide relief to seniors suffering due to recent inflation.
