

RODNEY ELLIOTT

FOR STATE REPRESENTATIVE

EFFECTIVE AND RESPONSIVE LEADERSHIP FOR OUR COMMUNITIES

This year's election marks the first time that our district will have the opportunity to choose a new leader to represent us at the State House in over 25 years. It is critical that we elect a representative with a proven record of taking on the issues that matter and delivering results for our communities. Rodney Elliott understands the challenges facing our district because he grew up here, raised his two daughters here, and spent his entire adult life working to it a better place to live as a member of the Lowell City Council and as Mayor. **As our State Representative, he will be an unwavering advocate for our district and will fight for the funding and resources that we deserve.**
