Local 2586, Dracut Firefighters Union, are proud to endorse Rodney Elliott for State Senate. Throughout his career, Rodney has consistently stood with firefighters and organized labor, demonstrating a strong commitment to the men and women who serve our communities. He has always made himself available to listen, engage, and take action on the issues that matter most to working families. We look forward to continuing to work with Rodney Elliott to advance the interests of firefighters and all working people across the Commonwealth.
