Dear Mr. Rodney Elliott,

I am writing to inform you that the members of Iron Workers Local 7 have wholeheartedly endorsed your candidacy for the Senate, 1st Middlesex District. Senator Elliott, thank you for your advocacy on the Senate Floor when Labor issues arise.

Here at Local 7 Union Ironworkers, we have a Labor force from your district that can help build your cities and towns and help better your community. Local 7 offers a livable wage, health care, retirement plans, and representation. We here at Local 7 know that you value a good solid union career.

We know that you understand our views and will continue in that same manner protecting the working families of tomorrow. We need more people like you that are willing to do the hard work required, such as bringing people together to have challenging conversations that may never happen without your support. With that stated.

The 3,800 members of Local 7 stand with you in this election and are ready to support you in any way they can. With warm regards and best wishes, we are,

Respectfully yours,

Frank Murray
