To Whom it may concern.

Pipefitters Local 537 is proud to endorse Rep. Rodney Elliott in his running for office as State Senate in the 1st Middlesex District. Rep. Elliott has always stood with working families and supported labor issues during his time at the State House. For us, he is only a phone call away and has always been someone we can lean on and guide us on certain issues affecting the Building Trades. We are looking forward to continuing to work with him on issues that affect working families not only in our local but those across the Commonwealth of Massachusetts.

Fraternally,

Daniel T. O'Brien
