

Jan 5, 2026

Dear Mr. Elliott,

On behalf of the 100,000 members of the Transportation Division of the International Association of Sheet Metal, Air, Rail and Transportation Workers (SMART TD), I am proud to offer our endorsement for your election to the State Senate.

As a State Representative, you have stood with working families by supporting strong labor protections, fair wages, and safe workplaces. You understand that Lowell's access to commuter rail is a driving force for the city's economy and for working people throughout the region. Your commitment to organized labor makes you the clear choice for working people across Massachusetts, and we are confident you will continue to be a strong voice for labor in the State Senate.

Sincerely,

Dave Stevenson  
New England Legislative Director  
SMART Transportation Division  
(978) 302-6661
