Frequently Asked Questions

Why choose Butterfly Kisses?

We provide personalized, loving care that keeps pets happy and comfortable in their own homes.

Can you provide references?

Yes, we can provide you with names and numbers for some of our clients. You can also visit our Facebook page or website www.ButterflyKissesPetSitting.com to read all of our reviews

My pet is not good with strangers - how do you handle this?

This is exactly why our complimentary meet & greet is required—and why it's such an important part of the process.

When we arrive, we let your pet set the pace. We give them plenty of time to sniff us out, observe us, and decide they're comfortable. We never force interactions or expect immediate trust. After all, we're the ones entering their home, and we want them to feel safe and secure.

Building trust doesn't happen in five minutes, and that's okay! During our visits, we'll continue getting to know your pet while always respecting their comfort level and boundaries.

If a pet is extremely fearful or shows signs that they aren't comfortable with us, we'll have an honest conversation with you about whether we're the best fit. Your pet's safety, comfort, and well-being will always come first.

Thankfully, we've been lucky so far—every pet we've met has eventually welcomed us into their family, and we can't wait to earn your furry friend's trust, too!

What time do you arrive and leave during an overnight stay?

We will arrive by 8:00 PM and stay overnight through morning feeding and potty time (usually until 7–9 AM). Includes evening and morning walks, meals, cuddles, and light household tasks (trash, mail, plants).

Do you provide updates during visits?

Yes! Photos are taken during every visit. So as not to impede on your time away, if multiple visits are scheduled, one update per day (unless otherwise requested) will be provided, with pictures at the end of the day via text message. Our goal is for you to relax and enjoy your time away, while we take care of your pets

Can you give medication?

Absolutely. Oral or topical medications are just a small additional fee.

How do I book?

Contact us to schedule your free meet & greet, then confirm initial services that you wish to book. Requests for subsequent bookings can be made directly in Time to Pet, by email, phone call or text.

What days incur the holiday surcharge?

Holiday Surcharge applies New Year's Day, Memorial Day, July 4th, Labor Day, Thanksgiving, Christmas Eve after 5pm, Christmas Day.

Do you offer Venmo as a method of payment?

- Venmo is: @Melissa-Hanna-85
