

TOWER FEATURES

- **ARTWORKS TOWER** is the 9th condominium located within the award-winning, internationally-recognized Regent Park revitalization. This impressive 32-storey tower features approximately 11,000 and 9,000 square feet of indoor and outdoor amenities, respectively, in addition to approximately 25,000 square feet of retail space at ground and second floor levels.
- Suites range from studio to three-bedroom + den.
- An overall eclectic 70s contemporary style is expressed in the interiors by U31. Inspired by their artistic vision, selections of unique lighting combinations, sculptural seating, graphic murals, along with natural materials layering the walls, are very “artful.” Eclectic furniture forms – from refined retro to contemporary – complement a shifting palette of neutral and earthy autumnal tones contrasting between the various spaces. The result is a casual, yet sophisticated scheme that appeals to a diverse urban demographic.
- Dedicated Concierge welcomes residents and guests upon entrance to the gallery-like lobby, while overseeing the sophisticated building security measures.
- Resident Services Director provides on-site maintenance and supervisory services.
- Convenient and ample locker and bicycle storage.
- Conveniently located on the northwest corner of Dundas Street East and River Street, close to Regent Park’s 6-acre park, the Pam McConnell Aquatic Centre, Regent Park Community Centre, athletic playing fields, Daniels Spectrum, and a wide selection of premium retail and entrepreneurial businesses. A 10-minute walk, cycle, or streetcar ride puts you in Leslieville, the Distillery District, Cabbagetown, Riverside, and the downtown core.

AMENITIES

- Residents will have exclusive use of the following amenities on the third and fourth floors:
 - Third floor: mega gym, with indoor and outdoor CROSSFIT and yoga spaces, and a part-time recreation coordinator to facilitate fitness classes and recreational programs.
 - Fourth floor: outdoor terrace with dining spaces, BBQs, gardening plots, and plenty of umbrella-covered chaise lounges, play and climbing structures in the fun kids’ zone, co-working space with meeting room and outdoor patio, party room with dining room and outdoor patio area, and retro arcade/games room.
- Award-winning Living Lane: a tree-lined walkway where residents can relax or tackle a project in the Workshop—the ideal space for working on your bike or putting your carpentry skills to the test.

SUITE FEATURES

1. Approximately 9 ft. ceiling heights in principal rooms, defined as Living Rooms and Dining Rooms. Where bulkheads or dropped ceilings are required, the height of the ceiling will be less than 9 ft.
