

# YOKED

*An original Christian Rom-Com Film*

A Biblical principle.. Relevant for today

written by Cannon Rosenau

**Equal(ly)** (e-kwel-le)

*ad* Same, in a uniform manner

**Yoked** (yohked)

*v* To be or become joined  
linked or united

*n* A device for joining  
together a pair of draft  
animals, especially oxen,  
usually consisting of a  
crosspiece with two bow-  
shaped pieces each enclosing  
the head of an animal.

After a young professional finally meets her perfect match online, while somehow managing to keep her best frenemy's lips away from him, she soon wonders if God has someone else in store for her.

For as long as she can remember, every time 30-year-old realtor, Ruby, thinks she meets the guy she's dreamed about, her childhood friend, Bobbi, whisks them away (some friend). Until finally, she meets Bennett online. He checks all her boxes. And even better, he just moved to town so there's no way Bobbi's lips got to him first.

Ruby is convinced he's the man her parents have prayed for on behalf of their daughter since she was born.

There's just one problem, he doesn't share her faith. At first, she doesn't see the issue. After all, she was called to make disciples.

But after a few perfect-on-paper dates, she notices the impact his lack of faith has on her.

She hates it when her mom is right. And sadly, her only friend, Bobbi, isn't such a great listener and in fact, sympathizes more with Bennett.

...No real shock there.

Meanwhile, her church life is going great, with her faith getting stronger every day, which only drives a wedge between her and Bennett.

After meeting, Charlie at one of her open houses, they started working on a youth mission project together.

Charlie is a creative type, a slob and not too tall. Everything opposite of her “perfect” guy. But boy can he make her laugh. And she’s typically not the fun-lovin’ type.

**From near spinsterhood to two complete opposite love interests, Ruby's so confused. Is it really all that important to be equally yoked as the Bible says? She finally asks God for guidance. He blesses her with the wisdom to see clearly that Charlie is her perfect match; the man her parents prayed for.**

**The one for her, and she's for him too. They balance each other out. He softens her hard edges, makes her laugh from her gut while she keeps him organized and helps him address his feelings without humor once in awhile. They may be opposites, but they're equally yoked. And with Christ at the center, they'll live blessed ever after.**

**And Bennett? Bobbi can have him.**

Forget,  
"You had me at hello."

**2 Corinthians 6:14-15**

14 Do not be unequally yoked together with unbelievers. For what [a]fellowship has righteousness with lawlessness? And what [b]communion has light with darkness? 15 And what accord has Christ with Belial? Or what part has a believer with an unbeliever?

You had me at  
*"let's pray together."*
