

HHS Terms and Conditions

QUOTATION

Brief:

The quotation is a summary of expected labour, materials and installations. There can at times be unforeseen items that arise after work has commenced and the quotation requires amendment. For example, groundwork that encounters rocks and the machine is required longer, additional labour charges or unexpected electrical/pipework changes. Any items that arise will be immediately brought to your attention.

Unforeseen items outcome:

An amended quotation will be discussed in person prior to commencing any additional work. Please note this may stop works briefly for safety reasons until the approval for the changes and associated costs are accepted by the client.

TERMS & CONDITIONS

Late Fees & Interest:

Full payment is due on day completion by 5pm. All payments are to be made through one of our provided payment methods i.e. bank transfer or cash. Overdue invoices will incur a one-off late payment fee of \$38.50 with overdue amounts incurring an additional 10% in interest per calendar month until the invoice is paid in full.

Invoice payment:

Invoices are to be paid individually. This ensures HHS note payment and late fees are avoided. Any legal matters and its associated costs arising from unpaid invoices will be payable by the client.

Materials:

All products remain the property of HHS until full payment is received.

Earthworks:

It is recommended that you provide your house plans if these are available, prior to commencing work. This allows HHS to operate safely onsite and avoids interference with important electrical/pipe structures. Another option for our clients is to book an appointment with "Dial Before You Dig" to map out the site for you. We are able to book this and add the cost to your quotation if required.

Check measure:

All quotation measurements are subject to check measure.

GST:

10% GST is applicable to quotations.

By accepting this quotation, you agree to our terms & conditions and contract.

Kind Regards

HHS
