From A-Z: Animals Get Funky! by Sarahndipity Johnsen

About the Book and Album

Who says *Giraffes Can't Dance*? Now children of all ages can dance, sing along, and learn 26 funky moves like Giraffe Get Down, Kangaroo Kung Fu, Alpaca Alignment, Hip-Hop Hippopotamus, and Unique Unicorn.

Based on Anne Green Gilbert's *Dance Concepts*, this One Book, One School selection shakes and shimmies with its playful rhyming text and vivid acrylic illustrations.

"This engaging alphabet book will have the whole family moving and grooving, wiggling, and giggling. Guaranteed to promote social-emotional intelligence, body awareness, and creativity." - Anne Green Gilbert developer of *BrainDance*.

Enjoy the BONUS 26 song album, *Animals Get Funky!* This toe-tapping, multi-genre album provides a Rockin' Raccoon soundtrack for life's big adventures and is streaming worldwide.

Our Electro-Trance Elephant Dance vocalist, Katie Gray, recently sang on The Today Show.

About the Author

As an award-winning educator, international entertainer, and philanthropist, Sarahndipity delights in crafting programs designed to inspire and enthuse. While obtaining her M.Ed., a fire lit within her inspiring *Animals Get Funky!* and other books, albums, videos, curriculum, and live events. She inspires imaginations to take flight through creative arts. She loves collaboration and has joyfully co-created with Beats Antique, Bonnie Raitt, Taj Mahal, Buddy Guy, Joe Cocker, The Motet, and many other amazing artists. She's even fire danced as a Pirate in the Caribbean. Sarahndipity crafts and dreams among the Pinyon Pines of Colorado with her incredible husband and multitudes of wild, dancing animals.

Praise

"As a mother, I couldn't imagine a more important or applicable life skill then creative expression. This book gives parents a guide to helping their children find fun, creative, and musical ways to express themselves. I wish I had this for my daughter when she was little!" - Lisa Wimberger, author and founder of The Neurosculpting Institute®

"Sarahndipity's delightful rhymes and Amanda's lively illustrations will entrance readers of all ages. This engaging alphabet book will have the whole family moving and grooving, wiggling, and giggling. Guaranteed to promote social-emotional intelligence, body awareness, and creativity." - Anne Green Gilbert, educator, author, and developer of *BrainDance*

"An artistic alchemy of education and entertainment. Sarahndipity strategically merges movement, mindfulness, and music, guiding children to create their own sacred stage for growth and joy." - Anam Cara Cat, author of *Birdseed: A Guide to Teaching Emotional Intelligence in the Primary and Secondary Classroom*
