Republican, since time immemorial

How long have you lived in Idaho?

26 years

State Attorney General

What is your reason for running for office?

Need vigorous and honest State sovereignty

Practicing 15 year litigating attorney, published several law articles, taught law at Gonzaga Law and North Idaho College, hired, fired, and mentored legal professionals, administered large corporate sales and technical programs.

Who do you most similarly pattern your policies after and why?

The AG is a law job, and not a policy job. That said, as a lawyer, I model my approach on Justice Scalia, from whom I took a Separation of Powers course in 2011.

What is the greatest issue Idaho faces today?

Our inability to reach and economically profit from our natural resources.

Who did you vote for for president in the last three elections? (Optional)

Trump, Trump, and Romney.

What is the proper role of the Federal Government?

To safeguard and protect individual freedom.

If you could change one thing the current Idaho State administration has done this past year and a half, what would it be?

Cancel the third and subsequent Governor Little Proclamations making us unlawfully live under states of emergency.

What is your stance on law enforcement?

I back the blue. Federal criminal arrests should be done by County Sheriffs, so Idaho retains control and removes the potential for federal abuses of power.

How would you reduce taxes in Idaho? or From your elected office?

The AG has no impact on taxation policy.

Idaho is a Right to Work State, do you support Right to Work?

Yes

No

How would you help Idaho grow it's economy and exports?

Open up the federal lands to development.

What is your stance on 2A, Assault Rifles, Constitutional Carry?

Section 11 of Article 1 of the Idaho Constitution protects our rights to have and carry weapons. All Idahoans over 18 should be trained in maintaining and carrying arms.

How would you best describe your stance on personal liberties such as: masks, vaccine mandates, freedom of speech, 2A etc...

Pro-life, pro-gun, pro-freedom. Anti-mask, anti-vaccine. However, as AG I enforce the law.

What is your take on the current state of education in the state of Idaho?

I suggest fewer administrative overhead expenses and personnel, and renewed emphasis on the three Rs and other basics.

What do you know about campaigning in Idaho? Are you prepared to work to be elected?

It is difficult— this is a huge State! I have been on the road for over a year taking part in over 75 separate events. I continue to create one to two minute YouTube videos answering questions on great Statewide import and of concern to thousands of Idahoans.

Additional information you wish voters to know.

I am very appreciative of the thousands of Idahoans who have given me a close look into their lives and their values. Thank YOU!
