To eliminate or at least limit government overreach

I've been involved with the republican party since I've lived in Idaho and I know exactly what challenges we are facing moving forward.

Who do you most similarly pattern your policies after and why?

James Madison and Donald Trump, Madison because he understood what it took to create a free and prosperous nation. Donald Trump because he knows how to execute policy in a way that helps the people of this nation to be free and prosperous.

The housing crisis and inflation.

Yes

No

I would do everything in my power to strip government regulations on businesses. I think it kills innovation and growth and it would help our economy greatly to allow businesses to thrive on their merits.

What is your stance on 2A, Assault Rifles, Constitutional Carry?

There should be zero limits on any arms that someone wishes to carry with the exception of felons. You are granted the right to keep and bear arms by the US constitution, if you violate the law however you have forfeited most of your rights if charged and sentenced. This would include the right to bear arms.

How would you best describe your stance on personal liberties such as: masks, vaccine mandates, freedom of speech, 2A etc...

Masks and vaccine mandates are antithetical to the freedom that was granted us by our ancestors. Sacrificing freedom for security will garner neither and therefore is just a tool for governments to grow more powerful through instilling fear in a government's people. This should never happen again.

What is your take on the current state of education in the state of Idaho?

Absolutely abysmal. I will not be sending my own children to a public school unless a complete overhaul of our education system takes place.

What do you know about campaigning in Idaho? Are you prepared to work to be elected?

I know this will take dedication, time and perseverance. I am prepared for this undertaking.

Additional information you wish voters to know.

My main priority is to keep Idaho free and prosperous for its residents and to get the government out of the people's way. This is my commitment to my constituents.
