How long have you lived in Idaho?

Since 2010

The position you are running for?

State Senate

What is your reason for running for office?

I can no longer sit back and watch as my state and district is taken over by liberal statist in the Republican party. My opponent simple does not represent our district and the conservative values we hold.

What experience do you have that would help you in office?

My experience as a Nampa resident for more than a decade... my experience of being actively involved in the homeschool and business community... my experience as a patriot, citizen, husband, dad, and small business owner who cares about the people of Idaho more than growing the government... and my experience as a lifelong conservative who still believes in American Exceptionalism... all of this has prepared me.

Who do you most similarly pattern your policies after and why?

I'm an America-1st Conservative - I pattern my policies off of what I believe is right and true and good. I appreciate Rand Paul, Thomas Massie, Pat Buchanan and folks in that camp.

What is the greatest issue Idaho faces today?

The biggest challenge we have now is keeping Idaho from being flipped "blue" like Colorado was. Because it's actively happening now. The challenge is safeguarding our state, keeping the power evenly distributed (not concentrated), and saying NO to big government, big business lobbyist groups like IACI, and NO to the Marxist far-left agenda infiltrating our state at every level (especially education).

Who did you vote for for president in the last three elections? (Optional)

Trump 2020

Trump 2016

Ron Paul 2008

What is the proper role of the Federal Government?

To ensure and defend our God-given rights as outlined in the US. Constitution

If you could change one thing the current Idaho State administration has done this past year and a half, what would it be?

Opened the door to Federal funds via ARPA which makes us further and further enslaved to The Feds

What is your stance on law enforcement?

I appreciate it!

How would you reduce taxes in Idaho? or From your elected office?

I'd vote to advance ANY legislation that gets rid of or severely reduces income taxes, grocery tax, property tax, gas tax, et al.

Idaho is a Right to Work State, do you support Right to Work?

Yes

No

How would you help Idaho grow it's economy and exports?

Open up federal land s(easier said than done) for logging, mining, farming, grazing, etc. Deregulate businesses, remove red-tape (e.g. unnecessary licensures) and let the free market be free again.

What is your stance on 2A, Assault Rifles, Constitutional Carry?

I like and practice them all

How would you best describe your stance on personal liberties such as: masks, vaccine mandates, freedom of speech, 2A etc...

Mask/vaccine mandates and passports/coercion are pure evil. Nobody (a business or government entity) has the right to violate our human rights that way. 1A and 2A are what make America America at it's core.

What is your take on the current state of education in the state of Idaho?

It's a joke. Overfunded, over-emphasized, and overly wicked in the way they indoctrinate kids in classrooms (in government schools). The educational bureaucrats hold way too much power.

What do you know about campaigning in Idaho? Are you prepared to work to be elected?

Already doing the work! knocking doors, makin calls, meetups - everything.
