State Representative District 2A

What is your reason for running for office?

To secure a free Idaho.

What experience do you have that would help you in office?

I have been a state rep. for 8 years.

Who do you most similarly pattern your policies after and why?

Rep. Ron Nate, because of his commitment to liberty and fiscal conservative policies.

What is the greatest issue Idaho faces today?

Loss of state sovereignty due to acceptance of federal money.

Trump. Trump. Romney (over Obama)

What is the proper role of the Federal Government?

Delegated and limited powers of war, peace, negotiations and foreign commerce.

If you could change one thing the current Idaho State administration has done this past year and a half, what would it be?

Taken federal money with the strings attached.

What is your stance on law enforcement?

Law enforcement is necessary in all societies to keep order. I am pro law enforcement.

How would you reduce taxes in Idaho? or From your elected office?

Ultimately, the way to reduce taxes is to reduce spending. That means less spending on wasteful programs. Our property tax code needs addressed. With the current makeup of the legislature, that has not happened in the last 8 years I have been in office.

Yes

No

How would you help Idaho grow it's economy and exports?

Reducing regulations on small business and allow the free market to work.

What is your stance on 2A, Assault Rifles, Constitutional Carry?

I am 100% pro all guns. Shall not be infringed is pretty clear wording and needs to be honored.

How would you best describe your stance on personal liberties such as: masks, vaccine mandates, freedom of speech, 2A etc...

The less government restrictions the better. Government does not have the authority to violate your rights and require you to cover your face or inject fluid into your body! They also have no authority to suppress your speech or limit your gun rights. Most of our rights are being violated because citizens do not understand their rights or the role of government.

What is your take on the current state of education in the state of Idaho?

Abhorrent! Children graduate government run schools and do not even know if they are a boy or girl. Many cannot read. This is criminal.

What do you know about campaigning in Idaho? Are you prepared to work to be elected?

I have done a lot of campaigning and am prepared to work hard.

Additional information you wish voters to know.

We need all hands on deck to change the direction Idaho is headed.
