How long have you lived in Idaho?

40 years

The position you are running for?

Legislative House District 16b

What is your reason for running for office?

To insure freedoms to Idahoans, reduce taxes, insure election integrity. To remove the progressive democrat from this district.

What experience do you have that would help you in office?

I have owned two businesses. One business I still own and have for 35 years. I know how to budget and plan. I've written many technical proposals. I know how to lead and encourage others, yet I also know how to create boundaries. I've worked in a law office for about 5 years. I work hard and can discern what is good for our state.

Who do you most similarly pattern your policies after and why?

Ron Nate is my hero, but also Tammy Nichols, Priscilla Giddings, Heather Scott because they are making a difference. Even though their bills may be stopped, they are educating the public as to what is going on in the Legislature. If we can get more liberty-minded people into office, we can turn Idaho around. I attended many of Lt. Governor Janice McGeachin's Capital Clarity meetings. The education of the people is what is going to turn this state around.

What is the greatest issue Idaho faces today?

Legislative corruption. With so many bills passing the house yet not being heard in the Senate, the Idaho people are being subjected to inflation, high taxes, indoctrination of our children, etc.

Who did you vote for for president in the last three elections? (Optional)

Trump 2020, Trump 2016, Obama 2014 (only because I couldn't vote for Mitt Romney).

What is the proper role of the Federal Government?

To protect citizen's rights and serve the states.

If you could change one thing the current Idaho State administration has done this past year and a half, what would it be?

Remove all mandates including lockdowns, business closures, mask mandates, vaccine mandates. Allow the people to choose their rights instead of the government.

What is your stance on law enforcement?

I support law enforcement as they serve and protect the people and the Idaho Constitution. When they act against those two, there needs to be consequences.

How would you reduce taxes in Idaho? or From your elected office?

I am for the grocery tax repeal. We have been trying for years and it is time to remove grocery tax. I believe there should be a suspension of gasoline taxes. I would reduce government spending to reduce taxes.

Idaho is a Right to Work State, do you support Right to Work?

Yes

No

How would you help Idaho grow it's economy and exports?

Utilize the state's resources, reduce regulation, stop the endless fruitless spending. Remove unelected commissions such as the health districts, reduce government.

---

What is your stance on 2A, Assault Rifles, Constitutional Carry?

I 110% support the 2nd amendment, assault rifles, and constitutional carry. This is a must.

How would you best describe your stance on personal liberties such as: masks, vaccine mandates, freedom of speech, 2A etc...

The Constitutions of the United States and Idaho are remarkable freedom ensuring documents. The mask and vaccine mandates were unconstitutional. Freedom of speech is one of the major rights of the United States citizens. Everyone has a right to speak their opinion on public land. We must uphold the Constitution of the United States.

---

What is your take on the current state of education in the state of Idaho?

There are problems in Idaho education. The indoctrination of our children with theories such as CRT and gender identity are crushing our state. This must stop!! Education is about reading, writing, math. It should not be about teaching things the parents don't want taught. We should definitely have Parent Choice. If we are going to spend tax dollars on education, the money should follow the child.

---

What do you know about campaigning in Idaho? Are you prepared to work to be elected?

I attended the Leadership Institute which taught how to campaign. I also attended the YAL candidate training. I have a campaign plan. I am a hard worker and I am willing to work. I have been working on the Ada County GOP Get Out the Vote and recently put 27 people in to run for Precinct Committeemen. It was hard work and a lot of presentation, but well worth the work.

Additional information you wish voters to know.

I love Idaho. It is a great state to live in. I'm dedicated to keeping it that way. There are influences that we don't need in this state. They are trying to remove our freedoms and encourage big government. I'm ready to fight for Idaho and the people's freedoms and rights. We also need to protect our children from these influences to remain a country under God. Thank you for this opportunity to discuss my beliefs.
