How long have you lived in Idaho?

Not long enough!! 2.5 years

The position you are running for?

House Rep. district 9 Seat A

What is your reason for running for office?

We need to get back to true Conservatism in Idaho. We need to get rid of ALL the establishment/Rinos.

What experience do you have that would help you in office?

I'm a God fearing American!! Life. Mom, church leader, precinct committeeman. Liberty lover. 912 project, tea party conservative. Phone banking, walking and knocking for candidates. Constitution classes.

Who do you most similarly pattern your policies after and why?

Currently, Ron Nate, he does not back down from his values and principles.

What is the greatest issue Idaho faces today?

Not becoming Colorado due to Rinos running the state!! Grocery tax repeal, property tax relief especially for seniors! Medical freedom. Abolish abortion.

Who did you vote for for president in the last three elections? (Optional)

Trump, Trump, Romney? Can't remember which was in the 2014. I think Romney- (what bummer he has turned out to be!) whoever the Republican nominee is who I vote for.

What is the proper role of the Federal Government?

To protect our Country from terrorists, foreign and domestic.

If you could change one thing the current Idaho State administration has done this past year and a half, what would it be?

Not keep jus in a state of emergency for a plandemic! No masking and NO coercion or forced vaccines on ANYONE!

What is your stance on law enforcement?

We need them, we need to support them.

How would you reduce taxes in Idaho? or From your elected office?

Work with other Liberty legislators on grocery tax repeal, possibly create a property tax elimination by imposing a buyers fee, when you buy your home, and once that is paid you completely OWN your home, the government no longer holds your home hostage with taxes.

Idaho is a Right to Work State, do you support Right to Work?

Yes

No

How would you help Idaho grow it's economy and exports?

Less government regulation, more free market capitalism.

What is your stance on 2A, Assault Rifles, Constitutional Carry?

We MUST protect our gun rights!! The last two years has showed us what happens in countries where guns are not allowed (Australia and Canada). We in Idaho have great gun laws, but they can be improved upon and made stronger to protect our rights.

How would you best describe your stance on personal liberties such as: masks, vaccine mandates, freedom of speech, 2A etc...

No government intervention on our personal health decisions. Media bias is out of control. Mainstream media is bought by the left. We MUST strengthen our gun rights. Personal rights protection is the job of a legislator.

What is your take on the current state of education in the state of Idaho?

It's being taken over by Marxists. We must have better school choice options. Less government control that has strings attached. NO FEDERAL\$\$

What do you know about campaigning in Idaho? Are you prepared to work to be elected?

It's expensive!! The good ole boy club is strong and hard to break through! I am hanging signs myself, knocking on doors and going meet and greets. I'm in it to win it!! I have a really strong work ethic!

Additional information you wish voters to know.

I am an Idahoan that loves her State! My job as representative is to protect Idahoans personal rights! Im retired, I have the time to give this job my all. God bless America! God bless Idaho!
