

P43 Liberty Candidate Survey

Email *

Option 1

Name *

Lyle Johnstone

Phone number (Won't be shared): *

Address (Won't be shared) *

Party affiliation and for how long?

Republican many years

How long have you lived in Idaho?

64 years

The position you are running for?

Idaho House Seat 26B

What is your reason for running for office?

Very dissatisfied with the lack of People's representation, I want Constitutional Government back. I am frustrated that Idaho's governmental process is basically directed by IACI and the Globalists.

What experience do you have that would help you in office?

Spent the last 10 years closely watching Idaho's lack of due process in State Government. Accounting, self-studied some of the major National and International political movements. Globalism, Great Reset.....Agendas 21, 2010, 2030

Who do you most similarly pattern your policies after and why?

Ron Nate, Heather Scott, Christy Zito, Chad Christensen

What is the greatest issue Idaho faces today?

Going Blue; or the semi fast lane to communism.

Who did you vote for for president in the last three elections? (Optional)

Trump, Trump, sadly Romney with no other choice.

What is the proper role of the Federal Government?

Protection of the 50 smaller nation states.

If you could change one thing the current Idaho State administration has done this past year and a half, what would it be?

Emergency unconstitutional kingship and not taken ARPA money.

What is your stance on law enforcement?

L.E. needs to be brought back to proper scope of their level of Law Enforcement; out of militarization ideology. Portraying the public is their enemy. I personally would like to see all local Law Enforcement in the State of Idaho be conducted from the Sheriff's office. Police forces have no control by vote through the people over the heads of these departments. ISP has become Little's own force to reign fear among business owners and Capitol attendees. Their original job was to patrol major highways.

How would you reduce taxes in Idaho? or From your elected office?

Work with Liberty Candidates/Office Holders to REDUCE government, education accountability, etc. Idaho has far too much government, and in that there is no efficiency auditing as well.

Idaho is a Right to Work State, do you support Right to Work?

Yes

No

How would you help Idaho grow it's economy and exports?

Get out of China economics, properly use and process the natural resources that are plentiful in Idaho. Look for the need and sell to that entity, inside the USA and possibly outside the USA.

What is your stance on 2A, Assault Rifles, Constitutional Carry?

"A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed." The last phrase is KEY, "SHALL NOT BE INFRINGED" Seems really simple to me.

How would you best describe your stance on personal liberties such as: masks, vaccine mandates, freedom of speech, 2A etc...

INALIENABLE RIGHTS OF MAN. All men are by nature free and equal, and have certain inalienable rights, among which are enjoying and defending life and liberty; acquiring, possessing and protecting property; pursuing happiness and securing safety. NO LAW should be made against 'people's' inalienable rights! No INDUSTRY should have authority over these rights as well. The 2A rights of Idahoans is to not be "infringed"!

What is your take on the current state of education in the state of Idaho?

Idaho has a Government Indoctrination program, not education. The WOKE Agenda has to go if we want "education".

What do you know about campaigning in Idaho? Are you prepared to work to be elected?

Newsletters, advertising, some signage, lots of getting in front of the People, door knocking, asking for the vote and why I am different than what you have.

Additional information you wish voters to know.

I have visited with many of the newer citizens to Idaho; they understand the threat of losing what we have had as a Free State! They are not happy to have been misled to think that Idaho is a RED State, when really it is a BLUE State led by BLUE REPUBLICANS. I DO WISH that longtime Idahoans would come to understand what the voting records and the problems that are coming from these votes, by these blue republicans will cause all of us; including themselves!
