Party affiliation and for how long?

Republican, since voting for Reagan in 1984

How long have you lived in Idaho?

Since 1991

The position you are running for?

Idaho House of Representatives Seat 20B

What is your reason for running for office?

It is a time for Conservative Citizens to take back our Government. Our current Legislators in District 20 have stopped listening to the citizens.

What experience do you have that would help you in office?

I have a background in engineering and business development. I see myself as a problem solver and consensus builder.

Who do you most similarly pattern your policies after and why?

Ronald Reagan, Government is the Problem.

What is the greatest issue Idaho faces today?

We live in a Red State with Blue Management. We are potentially facing the fate of Colorado. The weak Republicans in government are selling out the state of Idaho to big business interests. The Democrats smell blood in the water and are slowly but surely infiltrating and want to turn us into a Blue State. It is time to take a stand.

Who did you vote for for president in the last three elections? (Optional)

Trump, Trump and Romney (begrudgingly)

What is the proper role of the Federal Government?

The role of the Federal Government should be as the Founding Fathers envisioned. Today's Federal Government is all about control of States and it's citizenry.

If you could change one thing the current Idaho State administration has done this past year and a half, what would it be?

Make masks and vaccines optional.

What is your stance on law enforcement?

I support Law Enforcement that respects our rights as enumerated by the U.S. and Idaho Constitutions.

How would you reduce taxes in Idaho? or From your elected office?

Immediately eliminate the grocery tax. From my elected office I would focus on eliminating and reducing budgets from state agencies that provide no benefit to Idaho Citizens.

Idaho is a Right to Work State, do you support Right to Work?

Yes

No

How would you help Idaho grow it's economy and exports?

Eliminate useless state regulations on businesses.

What is your stance on 2A, Assault Rifles, Constitutional Carry?

I support the 2nd Amendment. I support both the ownership of the Armalite 15 rifle as well as Constitutional Carry.

How would you best describe your stance on personal liberties such as: masks, vaccine mandates, freedom of speech, 2A etc...

I do not support mandates of any type. I support freedom of speech in all formats. Without the 2nd Amendment, we don't have any amendments.

What is your take on the current state of education in the state of Idaho?

We need School Choice. The public school system is a failure and is run by the teachers unions whose only focus is to benefit teachers, not students.

What do you know about campaigning in Idaho? Are you prepared to work to be elected?

I ran for Meridian City Council last year and got within 56 votes of being elected; if Phil McGrane had run the election correctly, I would probably be on the Meridian City Council. I am prepared to do what needs to be done to take Idaho back.

Additional information you wish voters to know.

My platform is as follows:

Parents are Primary Stakeholders for Children

Pro 1st and 2nd Amendments
