Additional information you wish voters to know.

The truth matters. I am a passionate patriot who strongly believes in bold truth and forthright honesty. I am true to myself and the citizens I will represent. It doesn't matter what the media says. It doesn't matter if the entire world decides something wrong, is something right. Our nation was founded on one principle above all else: The REQUIREMENT we stand up for what is right, no matter the odds or the consequences. So when the entire world tells me to move, my duty is to plant myself like a tree beside the river of truth, and tell the entire world — "No, you move."
