Party affiliation and for how long?

Republican since 3rd grade in a democratic household. I love it.

How long have you lived in Idaho?

50 years

The position you are running for?

State Representative District 13 seat B

What is your reason for running for office?

I love Idaho and our Country. LOVE! I want to hop in and work with all others who wish to intercede and interpose for the people from government overreach.

What experience do you have that would help you in office?

I read bills. I do not go off of Statement of Purpose or Fiscal Impact, I read and actually see what's all in there. We shouldn't pass a bill and then see what it says.

Who do you most similarly pattern your policies after and why?

Not a who so much as a what (although there are a few in our current legislature that my votes will align with) which is Natural Law. Does it protect the Individual? Does it strengthen the Individual's Freedom and Liberty? I'm pro Individual, their family, faith and livelihood.

What is the greatest issue Idaho faces today?

I wish it were just one clear thing. It's so many infringements, homogenizations, regionalizations, fusions, etc etc and the narratives that come along with them to lull the people into complying. Major corrections are in order and my desire is to help course correct.

Who did you vote for for president in the last three elections? (Optional)

100%Trump, Trump without any hesitation, Ron Paul

What is the proper role of the Federal Government?

To stay in their finite little lane.

If you could change one thing the current Idaho State administration has done this past year and a half, what would it be?

To have remained unmasked and free. Free from mandates, coercion, deception and trickery.

What is your stance on law enforcement?

Please bear with me here. Law Enforcement is becoming increasingly militarized both in look and policy. Peace keeping seems to be a distant memory. I feel we need a stop pause, get some constitutional courses in at POST, have regular trainings for ALL officers to remind them what their purpose is, keep local control of our LE, implement a Board of Individuals from the local communities to have oversight of our LE departments. It would be beneficial for everyone if we could get a splash of Mayberry back. Pollyanna view? Yes, but I still want it.

How would you reduce taxes in Idaho? or From your elected office?

I would love to abolish property, income and real food tax. We could move towards consumption, sin and luxury taxes to start.

Idaho is a Right to Work State, do you support Right to Work?

Yes

No

How would you help Idaho grow it's economy and exports?

Cut more red tape. Promote laws that unburden Individuals from government restraints so they can prosper in their endeavors.

What is your stance on 2A, Assault Rifles, Constitutional Carry?

Is there such a thing as an assault rifle?? SHALL NOT BE INFRINGED.

How would you best describe your stance on personal liberties such as: masks, vaccine mandates, freedom of speech, 2A etc...

William Wallace said it best. Frrreeeeedddooooommmmm.

What is your take on the current state of education in the state of Idaho?

A complete disaster.

What do you know about campaigning in Idaho? Are you prepared to work to be elected?

I'm hustling and working for the opportunity to serve my District and the people of Idaho.

Additional information you wish voters to know.

I look forward to bringing servant leadership back. The use of the phrase "Our Leaders this Our Leaders that" causes me to cringe. I didn't vote for you to Lead me, I voted for you to represent me by zealously guarding my God given natural unalienable rights which just so happen to be protected by the Constitution. If elected, I will have a Board of Input from those in the community who wish to participate. Those who have subject matter expertise and or a passion for a particular topic. These individuals will be vital to our success. So far there are 6 people on the campaign trail who want to be a part of it! This is exciting! I would love and appreciate your support in this endeavor. I will serve with my whole heart. Lastly and this may seem a bit quirky. I am a mother. A mother of 7 of the most incredible individuals I have ever known not because they are my children (affectionately called my birds) but because they are each a unique, fascinating, brilliant, loving, wonder-full individual. I love being with them and their birds best. I am so grateful to The Living God for allowing me to be their mom and with that comes my passion to not only fight for mine but yours as well. My desire is together we leave a free and prosperous world to our posterity. Let's do this!

God Bless each individual and thank you.
