How long have you lived in Idaho?

30 years

The position you are running for?

State Representative District 1 Seat B

What is your reason for running for office?

To remove the establishment incumbent

What experience do you have that would help you in office?

I have fought for liberty literally and suffered in prison for it

Who do you most similarly pattern your policies after and why?

Heather Scott; Marjorie Taylor Green; Matt Gaetz; Patrick Henry. There is no compromising when our liberties are at stake.

What is the greatest issue Idaho faces today?

Federal Government overreach

Who did you vote for for president in the last three elections? (Optional)

It would have been Trump if I wasn't in prison

What is the proper role of the Federal Government?

to secure the rights and freedoms of individual citizens

If you could change one thing the current Idaho State administration has done this past year and a half, what would it be?

No mandates, lockdowns, business closures or states of emergency

What is your stance on law enforcement?

When they stay withing their mission of "to serve and protect" I support them 100%

How would you reduce taxes in Idaho? or From your elected office?

Abolish the grocery tax and work to completely abolish property taxes

Idaho is a Right to Work State, do you support Right to Work?

Yes

No

How would you help Idaho grow it's economy and exports?

Reduce regulations, taxes, and get government out of our lives. Let the free market be free.

What is your stance on 2A, Assault Rifles, Constitutional Carry?

The 2nd Amendment was not ratified to ensure that we could deer hunt. It was ratified to ensure that we could throw off a tyrannical government. We the People should not be infringed in what we possess, up to and including weapons that would be used in the overthrow of tyranny. Assault Rifles, Belt Feds, etc.

How would you best describe your stance on personal liberties such as: masks, vaccine mandates, freedom of speech, 2A etc...

I spent 4.5 years in prison for standing for the 1st amendment. They can take their mandates and shove em.

What is your take on the current state of education in the state of Idaho?

Government schools have become a virtual failure. The parents are the primary stakeholder of their child's education and future. If they choose to educate their child elsewhere, their tax dollars should follow their child, wherever that may be. I'm totally against CRT and Common Core.

What do you know about campaigning in Idaho? Are you prepared to work to be elected?

That's what I have been doing for the last 6 months.

Additional information you wish voters to know.

I will never sell out to big Pharma, big lobbyists, or the establishment. I will fight, literally, for all of us in District 1 and in Idaho.
