12 years

The position you are running for?

County Commissioner

What is your reason for running for office?

As John Guandolo has stated, we need to take back our country one county at a time.

What experience do you have that would help you in office?

26 years of leadership in the Air Force and Air Force Reserve. Involved with fighting of conservative issues in Idaho; fought hard against Common Core. A history of leadership roles in a variety of situations. Have worked to get legislation through our State legislature--not always successful due to the large number of RINOs.

Who do you most similarly pattern your policies after and why?

The members of the legislature who are standing up for our freedoms.

What is the greatest issue Idaho faces today?

The need to get back to our conservative roots.

Who did you vote for for president in the last three elections? (Optional)

Donald Trump and Mitt Romney

What is the proper role of the Federal Government?

To do only those things spelled out in the Constitution; states have more power constitutionally. The Federal Government has grown and is out of control.

If you could change one thing the current Idaho State administration has done this past year and a half, what would it be?

Accepted too much Federal assistance in the fight against Covid and has not stood strong against the mandates; we need to protect our freedoms and rights and not give in to the Federal Government. Doing so makes Idaho beholden to the feds.

What is your stance on law enforcement?

I am a strong supporter of law enforcement. Particularly the need for Constitutional sheriffs.

How would you reduce taxes in Idaho? or From your elected office?

We need to stop the grocery tax; it is a burden to all citizens. We need to look at ways to control property taxes as the values of property have risen to the point that property taxes are forcing some people out of their homes and/or apartments.

Idaho is a Right to Work State, do you support Right to Work?

☒ Yes

☐ No

How would you help Idaho grow it's economy and exports?

Reducing the burden of taxes will encourage more businesses and growth.

What is your stance on 2A, Assault Rifles, Constitutional Carry?

The U.S. Constitution states we have this right; nothing else is needed.

How would you best describe your stance on personal liberties such as: masks, vaccine mandates, freedom of speech, 2A etc...

I introduced a resolution to ban mask mandates and vaccine mandates to the Boise County Republican Central Committee; it was unanimously approved. Then, I presented it to our Board of County Commissioners where it likewise was passed unanimously. Our rights and freedoms are being taken from us and we must fight back.

What is your take on the current state of education in the state of Idaho?

We need to allow parents more control of the educational process. Public schools have been taken over by the progressives.

What do you know about campaigning in Idaho? Are you prepared to work to be elected?

I am more than willing to work to be elected. I pride myself on my work ethic.

Additional information you wish voters to know.

We need true transparency at all levels of government. We need to stop the flow of illegal immigrants into this country. We need to do a much better job of vetting all refugees.
