From Pastor Brian:

"I'm so humbled by the opportunity given to me to share with you about the tremendous things we have achieved together as a family! In the first place I thank God so much for the Divine connection that has resulted into a partnership that is aimed at advancing the Kingdom God by the demonstration of his love and power to everyone we get in contact with.

Since this year began a lot has been achieved and lives have been transformed but very little would be done if you had not accepted to be used by God to stand with us in support of the work God has called us to do. Thank you DLDTTC!!

I would be a liar if I said that I could exhaust the wonderful accomplishments that your spiritual, emotional support and donations have done!"
