

20 REASONS TO SPEAK IN TONGUES

Courtesy of Tom Scarrella

- 1) It's a sign of being filled with Holy Spirit. Why? That's the way that God set it up in the beginning
- 2) It's a Spirit language and the greatest gift the Holy Spirit can give us
- 3) Builds our faith (doesn't give us faith but builds it) and keeps us in love
- 4) It's for your spiritual edification
- 5) Raises your spiritual antennas to hear from God
- 6) Keeps us praying in God's will
- 7) Brings rest and refreshing
- 8) Keeps your natural tongue under subjection to the Spirit
- 9) We are new race of people, under a new covenant and have our own language, it's a reversal of the Tower of Babel
- 10) Our natural mind shuts down or quiets thus opens us to hear from God so every time your emotions are running high pray in the spirit and your emotions will all of the sudden calms down because it shuts down your natural mind
- 11) Triggers other gifts of the Spirit
- 12) We pray divine mysteries and secrets and are praying the perfect will of God
- 13) Makes us sensitive to being led by the Spirit
- 14) Allows us to interpret our tongues thus equal to prophecy
- 15) kick-starts your spiritual life, praying in the spirit is your spiritual training wheels
- 16) the more you speak in tongues the easier words of knowledge are triggered
- 17) Is a sign to the unbeliever
- 18) Causes us not to grieve Holy Spirit
- 19) When you don't know how to pray, you pray in the spirit
- 20) doctors have proven physiologically with MRIs and everything that 30 minutes of praying in tongues activates a part of your brain that's totally unused and what it does is it washes the other areas of the brain that have been damaged, it's a medical fact praying in tongues is healing.
