

The Believers Authority

- Authority without wisdom is like a heavy axe without an edge fitter to bruise than polish. - Anne Bradstreet
- Ask yourself questions like, are we for a game for the enemy to do whatever he wants to? If Satan was even so much as mentioned, would he really come after us? How strong are we believers really? What has God actually put inside of us?
- I believe that the truth about your authority as a believer in Christ, is one of the most important things that you will ever need to realize.
- How does God rule? he has all power and all authority. Amazingly, God shares both things with us; he gives us power, which is the capability to do things, and he gives us authority, which is the right to do things.
- Power is the capacity to do things. Authority is the right to do things.
- Demons get any authority they have from us. We give it away! We are the only beans in the universe with authority to discard, surrender, and handover
- Only God and humans have power and authority.
- The all authority that was given to Jesus has been given to us! And if we have all the authority, that means that someone else (i.e. Satan), has NONE!
- We are more than conquerors, Romans, 8:37
- Imagine a man fighter in a ring, fighting, taking punches, giving punches and ends up, winning the match as a champion. after he wins the money from the fight, his wife takes it and goes shopping to buy whatever she wants. The man fighting that won the fight was Jesus over sin, death and the grave. The wife going shopping is us walking in the blessings, grace and favor of what was done already in Christ.

- Jesus is a hero and a conqueror, but we are more than a conqueror! And in the same way, we don't have to fight like Jesus did. You get the easy part of choosing how to apply the winnings! You are more than a conqueror!
- The foe is defeated, and God ask you, "what do you want to do with the Victory?"
- You are more than a conqueror! We stand today, in the limitless power of the resurrection. There is no cap on your life. There is no limiting factor, unless you believe there is!
- It is not humanly, biologically possible to transform your mind. We can reform ourselves by changing our behavior, we can inform ourselves with education; but only by the supernatural means, can we be transformed. And it is not a renewing of our thoughts; it is a renewing of our minds. God does not say in this verse, "get a whole new thought." He says, "get a whole new mind." That is massive!
- You're not fighting the devil, but the deception and lies. He is nothing to you.
- Kingdom of God is not an equal and opposite opposing force to the kingdom of darkness. There is no equal between us, and the devil!
- The fear of the enemy must be dealt with. Our being impressed with Satan must be immediately halted!
- Deception. Finally, it dawned on me that if I had all power and authority given by Jesus, I didn't need to put up with this anymore. The Holy Spirit helped me to realize that I was creating the problem by believing in the backlash of the devil. All along, we have been the source of our own counterattack! As soon as we realize this, renewed our minds, and stop empowering the devil, all demonic, backlash ceased!
- We will accept all these mishaps, upset, and home, disasters, as in Medellin of Satan, our payback for rescuing lives from his dark realm.

- I don't give away my authority; I don't surrender what God has given me and let demons or principalities have space to become a problem to me.
- A harassing spirit becomes an impotent spirit by my exercise in my authority and power. And I send it away.
- We will have to wrestle with the daemonic on occasions, but all demons will flee if we resist them. They must! They bow at the name of Jesus every time!
- Remain obedient to him, and remember that it is never the case that you lack power and authority.
- It is never that you are not strong enough.
- It is never that the enemy is bigger than you; and it is never that the enemy is more resourced than you!
- Our minds need to truly understand the power that we carry or else we will back off any and all confrontations with darkness.
- Backing off should never be an option for any Christian. After all, hell, we're not back down and that's playing against us.
- We are, his children made in his image and bearing our creators likeness, Remus grasp, and understand the bigness of who God has made us to be.
- He has given us "Dominion" (Genesis 1:26) the word Dominion means to rule over, to reign, to dominate, to prevail against or to trample.
- The highest heavens belong to the Lord, but the earth he has given to mankind (Psalms 115:16).
- God says, let them have dominion, he is exempting himself from the day-to-day governance of the earth.
- God has given meaningful responsibility of this planet to mankind, with the skill to rule.
- God is the King of kings (that's us) and Lord of lords (that's also us). We are landlords.

- God came to Adam and told him to be fruitful, multiply, have dominion, and subdue the earth. Genesis 1:28.
- God is pushing us to think differently about ruling, reigning and having Dominion. these are not things that you do; they are about who you are!
- Once you become a child of God, you are immediately giving the power and authority to subdue and have dominion.
- You get to decide what the ruling spirits are in a region. You never have to work up to this; it's yours by birthright.
- Your life will change when you get this. Healing and miracles will flow from you in greater numbers when you get this reality.
- You are a co-heir with Christ, seated with him, who is in the right hand of the Father (Rom. 8:17, Eph. 2:26, Mark 16:19).
- God is calling you to arise to the next level of revelation and understanding.
- It is time for your world to know who you are; it is time to manifest as a king who has been given dominion.
- Every demon knows that you are a king, it's just you who doesn't realize it yet!
- It is time for the sit to stand in front of you, afflicted by their demons, pain, unforgiveness, and for you to know who you are!
- **It is time for you to know who you are!**
