RE: DBE Certification Annual Review Is Now Complete

Dear Thomas Saia:

The Niagara Frontier Transportation Authority (NFTA), a Certifying Partner in the New York State Unified Certification Program (NYSUCP), has completed its review of the Affidavit of No Change and supporting documentation submitted on behalf of your firm, in fulfillment of its annual submission requirement. We are pleased to advise you that your firm, as a Disadvantaged Business Enterprise (DBE) continues to meet the eligibility criteria established by the U.S. Department of Transportation Disadvantaged Business Enterprises regulation, codified at 49 CFR, Part §26, and remains certified as a Disadvantaged Business Enterprise (DBE) with NFTA and the NYSUCP providing the services below:

NAICS: Specialty Description

NAICS 236220: ADDITION, ALTERATION AND RENOVATION, FOR-SALE BUILDERS, COMMERCIAL AND INSTITUTIONAL BUILDING

NAICS 237310: HIGHWAY, STREET, AND BRIDGE CONSTRUCTION

NAICS 327320: READY-MIX CONCRETE MANUFACTURING

NAICS 562119: DUMP TRUCKING OF RUBBLE OR BRUSH WITH COLLECTION OR DISPOSAL

Your firm's certification status with the NYSUCP will remain effective for as long as your firm continues to meet all DBE certification eligibility requirements and the ownership and control of the firm, upon which DBE certification as granted, has not changed. However, your firm's compliance with DBE certification eligibility criteria will be reviewed on an annual basis.

You are required to submit, annually, a sworn affidavit affirming that there have been no changes in your firm's economic disadvantaged status, ownership, or control. In the event that there are changes, you must notify the NFTA, within 30 days, of any changes in your business' ownership, control and/or operations including address, telephone number, business services and capabilities. Failure to adhere to these requirements may result in the

removal of your firm's DBE certification status. Your firm's next annual submission will be due on or before **July 14, 2023**.

Your firm will continue to be included in the NYSUCP Directory (<https://nysucp.newnycontracts.com/>) which will indicate the type of work that your firm has been certified to perform.

Please note that any of the Certifying Partners of the NYSUCP reserve the right to review your firm's certification eligibility prior to your firm's participation on a federally assisted project for their agency or at any time that it is determined that such reevaluation is warranted.

We are pleased to have you as a continued participant in the NYSUCP and wish you much success.

Should you have any questions, please contact Wafa Dubashi, EEO Program Administrator by phone at (716) 855-7488, or by email at wafa.dubashi@nfta.com/.

Sincerely,

DeJuan A. Hardy
