

BRETT L. MOORE, CFP®

I would like all of you to know how grateful I am to have you as a valued client.

Recently, I was awarded the NAIFA National Advisor Today 4 Under 40 award for 2022 that recognizes advisors who achieve excellence in their profession by or before the age of 40. The 4 Under 40 award recognizes highly motivated, well-rounded NAIFA members under the age of 40 who are active in their communities and are committed to helping their clients secure sound financial futures. They exhibit extraordinary professional success relatively early in their insurance and financial services careers.

This award is not possible without the support of my clients and the growth that comes from referrals from my clients. I want you to know that I never take that for granted and will always strive to provide the highest level of advice and service possible.

Thanks again to all of you!
