Prioritizing/Ranking Projects:

- Each attendee has been provided 9 stickers for selecting Projects/Ideas that they feel are most beneficial to the City as we move forward.
- Please mark your stickers on the poster, and prioritize each project.
- There may be more than one project on any specific topic.

Dot Color Meaning:
- Red: Priority Project: Greatest Ranking Need/Desire
- Orange: Priority Project: Medium Ranking Need/Desire
- Yellow: Priority Project: Lower Ranking Need/Desire

Vision, Goals & Objectives:

- To maximize funding opportunities for needs within the City, while providing a systematic approach to implementing the acquired funding towards projects.
- Strategies to appropriately implement the possible funding sources will be established with an emphasis on obtaining funds from areas other than local sources.

Vision:
- Consistent community safety and security.
- A cohesive and safe transportation system.
- A balanced and diverse workforce.
- Strong community pride.
- An improved business environment.
- Affordable housing.
- A balanced and diverse workforce.
- A cohesive and safe transportation system.
- Strong community pride.
- Consistent community safety and security.

Goals & Objectives:

- To find and implement funding opportunities for needs within the City.
- To prioritize projects based on funding availability.
- To ensure efficient and effective implementation of projects.
- To seek and identify funding sources that are available for the recommended components in the Community Plan for both the short and long-range projects.

Are you aware of any other funding sources that apply? Please add post-it notes with details.
