Owatonna Cheer 2025-2026 Teams:

Icicles: This team is geared towards first-time athletes in grades K-4. This is a great starting point for kids who want to try cheer with a lower time and financial commitment. They will perform their routine but not compete. Practice is 1 day a week and the season runs from September-December.

Flurries: Flurries will compete at 2 local competitions. This team practices 2 days a week. Their season runs from June - the first week of February. This is a perfect intro to competition cheer and a stepping stone for the Arctic and Frost teams.

Frost & Arctic: Frost and Arctic will compete at 2 local competitions with the possibility of 1 out-of-state drivable competition. They will end their season with a travel comp to Las Vegas. These teams practice 2 days a week and have 1 tumbling class a week. Their season runs from June - February.

*Flyers will be required to take extra stretching and flyer classes outside of team practice.

Freeze: Freeze typically has a few local competitions, 1-2 out-of-state drivable competitions, and an end-of-season competition in Las Vegas. They practice 2 days a week and have 1 tumbling class a week. Their season runs from June - February.

*Flyers will be required to take extra stretching and flyer classes outside of team practice.

The tryout process is low-pressure and fun! The athletes demonstrate jumps, tumbling skills, and choreography. They meet the coaches and new friendships are formed. We can't wait for you to experience it for yourself to truly understand the dynamics and traditions of the Owatonna Cheer program!

Icicles: No Try Out Required. Registration will open in June. Please sign up at: owatonnacheer.com.

Flurries, Arctic, Frost & Freeze:

EVALUATION DATES: Tuesday, May 13th - Thursday, May 15th

You will receive an email the week before tryouts telling you what time slot your athlete is assigned to for Tuesday. At the end of Tuesday's evaluation, each athlete will receive a call back for Wednesday, Thursday or both.

JAMZ Details

Parents will be in charge of booking travel for you and your athletes for this comp. There will be a charge of **\$350.00** for this competition. This fee will cover the athlete's competition entrance fee, coach's travel fees, & Nationals gift. This will be billed half in December and half in January.

If you are not able to travel with your athlete we will do our best to work with you with other options.

Fundraising options will be available throughout the season to help with monthly tuition fees and JAMZ travel fees.
