Frost & Arctic: Frost and Arctic will compete at 2 local competitions with the possibility of 1 out-of-state drivable competition. They will end their season with a travel comp to Las Vegas. These teams practice 2 days a week and have 1 tumbling class a week. Their season runs from June - February.

*Flyers will be required to take extra stretching and flyer classes outside of team practice.

Freeze: Freeze typically has a few local competitions, 1-2 out-of-state drivable competitions, and an end-of-season competition in Las Vegas. They practice 2 days a week and have 1 tumbling class a week. Their season runs from June - February.
