

YOUR FAMILY BIOGRAPHY

What would you do to hear your parents' or grandparents' voices again? Sharing stories and memories with you and your children is one of the greatest gifts you can give to your family.

It's a treasure to be passed on to generations.

*The **Family Video Biography** interview is more than just a recording; it's a journey to capture the essence of your family's story. The interview is conducted in the comfort of your home or a setting of your choice. Studio Eleven Productions will guide you with typical questions to discuss with the storyteller before filming. The interview is a single-camera session lasting up to 45 minutes. Post-production includes an opening title and light editing to remove long pauses. You'll receive one HD digital copy on a USB Flash Drive and as a digital download, making it easy to share and preserve. The total cost is \$875. with a possible travel fee as an additional charge.*

*For a more inclusive experience, we offer a **Two-Person Family Video Biography package**. This includes an interview lasting up to one hour, ensuring a thorough and detailed story. Two cameras will be used to create a cinematic look. Typical questions will be outlined before filming to promote a structured and meaningful conversation. Post-production features an opening title and light editing to eliminate long pauses. You'll receive one HD digital copy on a USB flash drive and as a digital download, making it easy to share and preserve. The total cost is \$1080, with a possible travel fee as an additional charge.*

*Our **Premier Family Video Biography session**. Transform your interview into a personal documentary by incorporating family photos, films, and memorabilia. Music and titles will be included in a program your family will watch repeatedly! An approval edit will be posted, allowing the client to review the project before duplication. The final film is delivered on a USB flash drive and as a digital download. Choose either of the options above, with an additional charge of \$10 for each added asset.*

What's your vision?
