

At Finger Lakes Textiles we have a fully inclusive workforce of over 50 employees, many of whom have intellectual or developmental disabilities. We produce over 1.2 million pieces of winter headwear each year for our business partners, as well as commercially with Arctic Gear!

Who We Are

Finger Lakes Textiles is a division of Mozaic, a Chapter of The Arc New York, supporting people with intellectual and developmental disabilities. Arctic Gear hats are made in an integrated work environment where people with diverse abilities work together with skill and pride.
