This year we are asking for the majority of memberships to be registered online. Follow the link to register through our website, then use the PayPal DONATE button to pay your \$15/membership dues for the 2019-20 year. There will only be a limited time to register membership on the night of the meeting, so please register and pay before Thursday, June 6th.

Attached are the Committee Director Descriptions for the 2019-20 show year. Sometime after the June meeting, directors should be reaching out to ask for volunteers for their committees. If you have thought about volunteering previously, please review the descriptions and find out where you might be interested in plugging-in to volunteer during the upcoming year.
