Show Age (as of 09/01/2023):	Show Group: Junior (8-10) Intermediate (11-13) Senior (14-
# of years in IRCYLH:	Ethics Number:

Expository Narrative

In this section, you will write explaining the various aspects of your project. Remember to explain, in detail, the different areas of your project, i.e., feeding routine, medical/health, grooming, if showing multiple of the same project type, include the identity of each project (either using tag numbers or names of the animals) in your narrative, etc. You may use the outline provided in the manual to help you organize your thoughts. Remember, this is about your project. Judges will be judging the quality of your sentence structures, ability to organize your ideas into paragraphs that provide relevant details, spelling and grammar, and the overall appearance of the narrative. If needed, you may print additional Expository Narrative Continued... pages. If you are typing your narrative, please refer to the manual for detailed instructions.

Expository Narrative Continued...

Project A Photos

You must include at least 4 photos of your project but no more than 10 photos. Each photo that is included must have a date and a detailed caption. One of the photos must be a picture of your project's pen(s). Your caption can include why you chose the specific size of the pen, the location of your pen, when was the pen built, who helped build the pen, etc. The remaining photos can be of your grooming/trimming care, feeding routine, health related care, etc. You may also reference some or all photos in your narrative HOWEVER it is not required! Your photos must be placed on the page(s) in chronological order, according to the caption. If necessary, you may print out additional *Project Photos Continued...* pages. If you are showing multiples of the same project type, there are additional picture, health, and show record pages in the manual.

Personal Exhibitor Goals

Provide 2 goals you would like to achieve while working with this project. Be as specific as possible when stating your goals. You must use complete sentences when completing the goal section. Some topics to consider when stating your goals: What will you use or research to help accomplish your goals? Did you seek out a more experienced exhibitor to assist with achieving your goals? What else did you do to help yourself accomplish your goals? Where you able to accomplish these goals, why/why not? Once your book is graded and returned to you, you will not be finishing any sections and returning it to IRCYLH; for this reason, your goals must NOT be based on you winning Grand/Reserve Grand. Please see the manual for examples of possible goals you can set for yourself as an exhibitor.

Goal #1			
Goal #2			

Anatomy of a Steer

Compete the table below by matching the correct name and the body part with its corresponding number from the diagram.

Belly	Face
Ear	Sheath (Steers and Bulls)
Pin	Throat
Hoof	Cannon Bone
Crest	Back
Rump	Point of Shoulder
Rear Flank	Poll
Dewlap	Hock
Knee	Loin
Stifle Joint	Dew Claw
Heart Girth	Quarter
Muzzle	Hook
Rib	Brisket
Forearm	Switch
Tail Head	Pastern

Expense Record

This section will record any expenses that were incurred for the duration of this project. Expenses will include but are not limited to, purchase price for project, project registration fee, supplies that are needed for the current project, potting soil, spray bottle, watering can, etc. Health expenses will NOT be included in this section. If an additional page is needed, you may print another Expense Record page.

Date	Item/Expense	A. Cost
	Λ Tatal Γ	
	A. Total Expense/Cost	

Feed Record

In the table below, you will record all feed-related expenses, their weight, if applicable, and the cost for this project. You will include any feeding supplements, feed, hay, or anything your project ingested as part of your feeding program. You will NOT include any medications in this section. If completing a citrus tree, you will include any fertilizer or additional supplements for the overall health of your tree.

Date	Feed-Related Expense	B. Weight (in lbs. if applicable)	C. Cost
