RULE BOOK ACKNOWLEDGEMENT & COMPLIANCE AGREEMENT

I, _____, believe that my participation in any IRCYLH Event should demonstrate my own ability, knowledge, and the life skills I have gained as a caretaker of agriculture. I will do my own work and accept only advice and support from others.

I will not use abusive or questionable techniques in the feeding, fitting, and/or showing of my animal(s) or horticulture projects. **I will not resort to fraudulent, illegal, or deceptive practices.** I also will not allow my parents, my supervisor, or any other person to employ such practices either.

I agree that I own my project, and no other person will receive monetary gain from the auction of my animal or horticultural project. With the penalty being my suspension from further participation in IRCYLH.

I have read and understand the rules for the IRCYLH Show and Auction season for 2019-20, in which I am a participant. I ask that my parents and family not break the rules or ask for exceptions on my behalf, knowing the full consequences as stated in the rules. I wish for my project to be an example of how to accept what life has to offer (good and bad), lessons learned, and how to live with the outcome. **I understand this is a learning experience and not a way for me to profit financially.**

I realize I am responsible for following the rules set before me by the IRCYLH Show and Auction Board and agree that I and my family will follow and abide by these rules, understanding that violations will be a detriment to my success. Complete rule books are available for download at www.IRCYLH.com, and it is my responsibility to read and understand the rules in their entirety.

I understand that the events I participate in take place in a public venue. Photographs may be taken by media, volunteers, IRCYLH representative, etc. for the purposes of highlighting the activities of IRCYLH and the accomplishment of the students we support through traditional and social media.
