

Indian River County Youth Livestock and Horticulture Inc

Supporting Youth in Agriculture throughout Our Community

2025.26 Season Individual and Corporate Sponsorship

Formed in July 2017, the aim and purpose of Indian River County Youth Livestock and Horticulture Inc. is to promote and encourage the work of 4-H Clubs, FFA, and adult leaders of Indian River County in promoting any phase of the agriculture industry. The Indian River County Youth Livestock and Horticulture Inc is a Florida registered Not for Profit Corporation recognized as tax exempt by IRS code 501(c)3.

Our main goals are:

- To promote livestock, horticulture, and the agriculture industry in the community, involving youth and members of their families, and community.
- To teach youth fundamentals and professionalism in animal husbandry and in business.
 - To plan and host successful local livestock and horticulture shows highlighting the youth of Indian River County.
 - To emphasize the project as a learning tool in building and developing respectable and responsible young adults with marketable skills.

WHERE DO SPONSOR DOLLARS GO?

Sponsors help support the youth exhibiting their projects each year. Sponsor dollars make prospect shows, educational activities, and the fair show and auction possible. Financial contributions offset the cost of these events to each student, making the experience more affordable for families and rewarding for the individual exhibitor.

IRCYLH SUPPORTERS

IRCYLH is completely financially supported by individuals, organizations, and businesses within our community. IRCYLH depends upon community fundraising to provide for the outreaches, educational enrichment, and hands-on learning opportunities for youth involved in agriculture within our community.
