**Presented at the SUCHI- Annual General Body Meeting**  
**held on 04.02.2023**

Dear Members

Greetings to all.

It's my privilege to share briefly about SUCHI's (Social Unit for Community Health and Improvement) Annual Report for period 1<sup>st</sup> April 2019 to 31<sup>st</sup> March 2020, before the August body of the organization SCUHI.

SUCHI was with the FCRA registration certificate extension period till 27<sup>th</sup> Sept 2022 and as informed to every one SUCHI received its FCRA renewal certificate on 28<sup>th</sup> Sept 2021 granted by ministry of Home affairs valid till 30<sup>th</sup> Sept 2027.

During the extension period we were unable to access any donations or funds. However we did apply to small donations to support the aged and school going children which is accepted positively and we are waiting for the funds.

**Economic Development of Mothers through Small Business:**

During this report period the ongoing economic development Project of mothers in small business continued through follow up visits and motivation. Totally 68 women were encouraged and motivated to promote small business like cow rearing and petty shops improved their income and livestock asset during this year

## **COVID 19 Vaccination Improvement Project in Coordination with Children of India Foundation**

In coordination with **Children of India Foundation**

COVID Response activities were carried out in the villages:

1. Motivated villagers on COVID Vaccination in coordination with local PHC team. (04 PHCs)
2. Face mask distributed to villagers during vaccination camps along with PHC team.
3. Protective and Preventive kits distributed to ASHA workers, volunteers and ANMs of the 04 PHCs (digital thermometer, Pulse oxymeter, sanitizer, face mask, face shield etc)
4. Distribution of BP apparatus, digital thermometer, sanitizers, gloves, Mask and face shield to 04 PHCs staff.

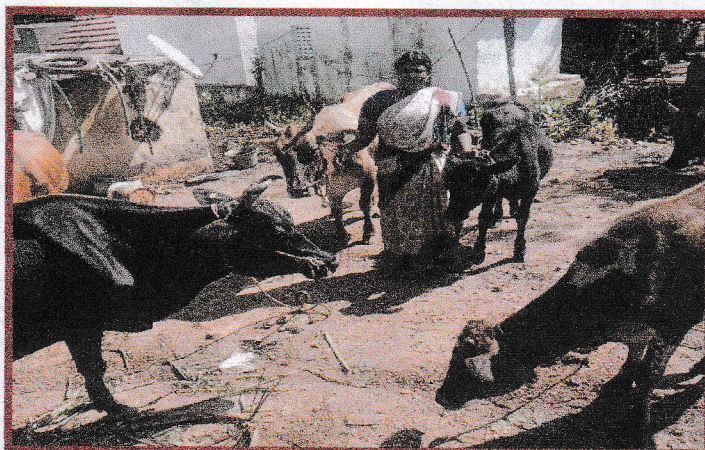

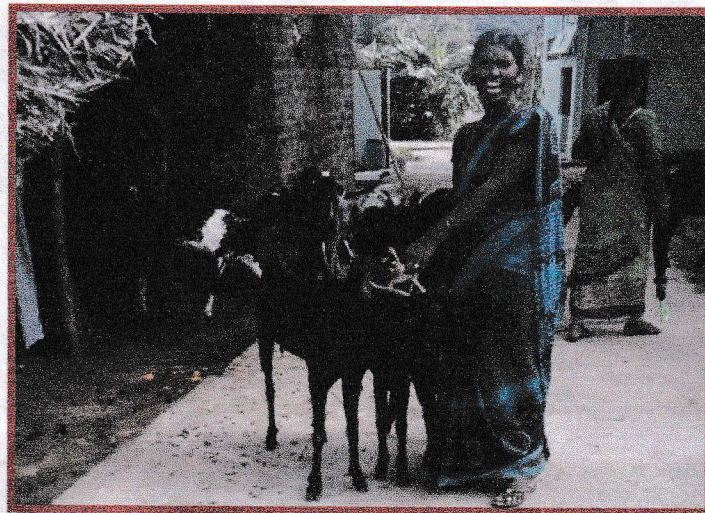

SUCHI along with the **Children of India Foundation** created awareness on early identifying of COVID, Care, Protection & Preventive Measures, immunization etc through publicity, pamphlet distribution and motivation.

The Mandal Development officers and the PHC doctors appreciated our team for the coordination and service to the villages by joining with the PHC team during COVID and Vaccination Period.
