

**SUNY  
BROCKPORT**

**September 18, 2024**

**Dear Colleagues:**

**Regarding the 50<sup>th</sup> Annual Rochester Academy of Science Fall Scientific Paper Session at SUNY Brockport  
Second Call for Abstracts**

This event is scheduled for November 16, 2024 at Edwards Hall, SUNY Brockport, 191 Holley St, Brockport, NY 14420.

The purpose of this event is to provide a venue for science students and faculty of local colleges and universities with an opportunity to gather and share their research interests and research results with posters or oral presentations.

The Rochester Academy of Science Annual Larry King Memorial Spring Lecture will be held at this event. The keynote speaker will be announced soon.

**There is no charge to attend**, but please register even if not presenting.

If presenting, submit your abstract with the fee of \$10 per abstract, regardless of number of authors. If any authors are members of the Rochester Academy of Science you will receive a \$5 rebate. Advisors should consider membership, which is only \$10. If you have two students presenting, membership is thereby **essentially free**. See <https://rasny.org/how-to-join> for more information.

To register your abstract, the fee is \$10. Complementary morning beverages and snacks will be set. Lunch tickets of \$15 may be purchased when registering. Lunch will be served at SUNY Brockport's Harrison dining hall, see <https://basc1.org/dining/menus/harrison-dining-hall/> for lunch menu details.

Please use this link for more information and to register and also to pay an abstract fee: <https://rasny.org/paper-session>.

Please submit (register) your abstract by **Friday, November 1, 2024** so that we have time to prepare the schedule and post it online.

Sincerely,

Michael Grenier (mgrenier@frontiernet.net), President, Rochester Academy of Science  
Markus Hoffmann (mhoffman@brockport.edu), Professor, SUNY Brockport  
Department of Chemistry and Biochemistry
