

# SUMMER CAMP FOR ENVIRONMENTAL CHANGEMAKERS

An opportunity for St. Croix youth to learn more about our local environment and how to make a difference!

**MONDAY-FRIDAY**  
**START DATE: JULY 14TH**  
**ENDS: AUGUST 1ST**

This program welcomes youth, ages 14-17, with a passion for the environment who are interested in learning to lead and inspire positive change within their community. Join us for hands-on experience with experts in the fields of **Coral Restoration, Sea Turtle Conservation, Environmental Justice, Local Natural History**, and so much more.

Create connections while gaining environmental knowledge, leadership skills, and exploring the world of advocacy with a community action project!

For more information or **to apply for the program**,
