

Virgin Islands Department of Agriculture

Division of Veterinary Services

Livestock Tagging

Farmers Will:

- Comply with the VI Code that mandates all livestock over 2 months of age be tagged.
- Enable recovery of lost animals.

Expenses for this program are being covered through a cooperative agreement with the USDA so there is no cost to our farmers.

Animals We Tag:

- ◆ Cattle
- ◆ Sheep
- ◆ Goats
- ◆ Horses
(Microchipping)
