NATIONAL VETERANS

Small Business Week

TWO NATIONAL WORKSHOPS

Discover steps to grow your business.

November 13

1-3 p.m. ET

Are You Lender Ready? For the Military Community

During this workshop, you'll **learn tips on how to write a strong business loan application and get the chance to hear directly from lenders.**

Attend this webinar to learn about loan programs and the resources your business needs to grow.

November 14

1-2 p.m. ET

Certification Advantage for the Military Community

Join us for this exclusive online workshop to **discover how federal contracting certifications can boost your business growth.** Learn the ins and outs of the certification process and gain valuable insights to help you compete for government contracts.
